# Sound Choices Checklist

---

- Sound Choices Checklist for Comprehensive Plans is Now Available from the Habitat Strategic Initiative ([Link](#))
- Aligns the Puget Sound recovery strategies and actions with the comprehensive plan elements.
- Goal is to consider if and how local comprehensive plans are setting the stage for Puget Sound recovery.
- Highlights best practices to support local planners in their comprehensive plan updates.
- **Do you think your planning departments/colleagues would find a briefing/discussion of the checklist helpful? Should we organize something for them?**
