Passcode: 950386

Agenda

Time	Topic	Speakers
10:00 – 10:05 (5 min.)	Welcome, Get Settled & Agenda Review	Haley Morris, AHSS LIO Assistant Coordinator
Meeting Focus Area: Integrated Water Resources Management		
10:05 – 10:35 (30 min.)	LOTT Clean Water Alliance Reclaimed Water Projects <i>Matt will provide an overview of LOTT to describe who they are and what they do. Matt will also present on a Class A+ Reclaimed Water pilot project which kicks off this year as well as recent nutrient removal upgrades.</i>	Matt Kennelly, LOTT Clean Water Alliance
10:35-11:05 (30 min.)	Thurston County One Water Framework Project <i>Derek and his team will share an update on a One Water project which will be led by Thurston County in partnership with the Nisqually Indian Tribe and external stakeholders. The project will use Thurston County’s Visualizing Ecosystem Land Management Assessments (VELMA) modeling tool to inform land use policy, and county programs via a watershed-scale integrated planning effort for the Nisqually watershed. This project was recommended for Strategic Initiative Lead integrated watershed management funding by AHSS.</i>	Derek Day; Kevin Hansen; Thurston County
11:05-11:35 (30 min.)	Floodplains & Estuaries Action Plan Process <i>Continue to discuss and identify floodplains and estuary projects, opportunities, and barriers in the South Sound.</i>	Elizabeth McManus, AHSS LIO Coordinator
11:35 – 11:45 (10 min.)	AHSS LIO Updates: <ul style="list-style-type: none"> • Capacity Funding Needs 	Haley Morris
11:45 – 11:55 (10 min.)	Round Robin – Bring Your Updates!	All
11:55-12:00 (5 min.)	Wrap-up and Next Steps	Haley Morris
12:00 Adjourn
